How to call Directory Assistance

For local numbers dial:
1411
For campus numbers or student location
294-4111

For numbers within the 515 area dial:
1 + 555-1212

For numbers outside the 515 area dial:
1 + Area Code + 555-1212

For the telephone numbers of businesses and people who have "800" numbers dial:
1 + 800 + 555-1212

Information needed for Operator to secure number needed:
1. City where you want listing
2. Full name of person or business
3. Address, if possible

Hints on using Directory Assistance
1. Check your directory before calling.
2. Keep a list of your frequently called numbers.
3. When you call have pencil and paper ready.
4. Give the operator complete and accurate information.

Directory Assistance Credit and Pricing
Northwestern Bell customers receive a credit on their monthly local service as a part of the directory assistance credit and pricing plan. Customers have a four-call allowance each month for calls to Directory Assistance for numbers in Iowa. Calls over the allowance cost 25 cents each.

Directory Assistance charges do not apply to calls from hotels, motels, hospitals, and coin telephones.

The blind and physically disabled may apply for exemption from these charges. (See page 6.)

This plan applies to Northwestern Bell customers in Iowa only. Other customers should check with their telephone company to determine if they have a similar program.

Repair Service

Trouble with your telephone service may come from these sources:
1. Telephone sets or equipment
2. Wiring inside your premises
3. Telephone company lines or equipment

There are several steps you can take to determine the source of your own telephone problems before you call Repair Service.

Telephone equipment problems
If you have more than one phone, unplug the one from which you first detected the problem. Plug another phone into the jack and see if the problem still exists. If it doesn't, chances are the trouble is in the first phone.

If the problem is in your telephone equipment, contact your supplier, or follow the repair instructions on the warranty. If you ask for a Northwestern Bell repair person to visit your premises and it's found that the problem is in your own equipment, there will be a charge for this visit. However, Northwestern Bell does not repair telephone equipment.

For customers who are leasing equipment from AT&T, please call the following numbers for repair of that equipment:
- Residence and single-line business accounts
  toll-free 1-800-555-8111
- Multi-line business accounts
  toll-free 1-800-526-2000
- PBX, Dimension & Centrex toll-free
  1 + 800-242-2121

Inside wire problems
If you have a modular phone, plug it into the jack nearest where your phone line comes into your premises. If the phone works there but nowhere else, the trouble is probably with your inside wiring.

If you have subscribed to the Home Wiring Maintenance Plan, there will be no additional charge to have Northwestern Bell repair it. If you have not subscribed to the plan, you can repair the wire yourself, have someone else do it for you, or ask Northwestern Bell to repair it for a charge.

Trouble outside your premises
If you are unable to determine the source of your telephone problem, call Repair Service. An employee will test the line and tell you whether the problem appears to be in telephone company lines and equipment, or within your premises. Northwestern Bell will continue to repair problems outside your premises at no additional charge.

Establishing telephone service at your home

Call your Telephone Company
Service Representatives can help with orders for service, billing matters, rates, and inquiries or complaints (other than repair). Representatives and their supervisors are there to see that you are completely satisfied. See page 2 for telephone numbers.

Information needed for your order
- Complete address-street and number-plus city or town (apartment number if applicable).
- The registration numbers of the telephone sets or other telephone equipment you will be using.
- The type of service you want.
- How you would like your directory listing to appear. Two people with the same last name can have their first names listed at no charge.
- Information about your previous telephone service such as the telephone number and location.
- Other credit information, including employment. (No telephone credit information is given out to other businesses.)

A deposit may be required
Your Telephone Company may require a deposit from you if you have not previously had telephone service and established a prompt payment record. When you apply for telephone service, the telephone company will assess your credit rating and based on the results of this rating, a deposit may be required. The amount of the deposit will be no more than the total of two months' local service charges and two months' estimated long distance service charges.

Deposits earn 12% interest
A deposit, with twelve percent interest compounded annually is refunded within one year if your phone bills are paid by the date listed on the bill. The deposit is held as security if credit has not yet been established. If telephone service is disconnected, the deposit with interest is applied to your final bill.

Prompt payment means good credit
Your credit standing is determined by your promptness in paying your telephone bill. Payments should be received at the telephone company by the payment date on your bill.

There is no long distance charge on calls from your community to those listed below it, if dialed without operator assistance. Just dial the number.

CHARGES ON LOCAL CALLS

Extra charges apply on local calls where the customer dials the Operator and requests completion of the call. There is no charge on calls to Ambulance, Fire, Police, Sheriff, Repair Service, telephone company numbers and calls originating from telephones by independent telephone companies. Extra charges apply on local calls from Charge-A-Call coinless and coin public telephones. The charges are in addition to the coin rate for local telephone calls.

Busy Verification/Operator Interrupt

A 40¢ charge will apply if a customer requests the Operator to verify a busy line. If the line is verified and interrupted, a 65¢ charge will apply. These charges are for calls within Iowa and the Ames local calling area. There is no charge if trouble is found on the line or if the call is to or from an emergency agency.

Wiring options

Customers are responsible for the installation, maintenance and repair of all new and existing telephone wiring located within their premises. Inside wiring is the wire that connects the telephone company line to telephones. Generally the telephone company line is connected with inside wiring in your premises at a point close to the telephone company protector, a voltage protection device. All inside wiring must meet certain technical standards. Landlords may be responsible for wiring on rental property.

Three options are available:

Northwestern Bell will wire your home or office
If you are building or remodeling, we can install telephone wires before the walls are put up. Or wiring can be installed in finished locations. Call a Service Representative for more information about this service and what charges apply. This service applies to Northwestern Bell customers only. Customers of other telephone companies should check with that company.

Do-it-yourself
Special kits let you do-it-yourself. You can install new wiring or add wiring at your convenience. We'll give you a brochure that describes technical standards, wiring products and offers some helpful planning tips.

You can hire a contractor
If you prefer, you can hire a private contractor to do the work for you. Charges will be based on your agreement with the contractor.

Obtaining Telephone Equipment

If you want information about telephone sets or other types of *equipment*, contact a retail supplier of your choice. The sale of telephone equipment is a competitive business and, therefore, we cannot recommend particular suppliers to you. For more information, look in the Yellow Pages under "Telephone Equipment & Systems - Dealers."

Types of telephone service

The Northwestern Bell rates on these pages were correct as of the date this directory was compiled. Current rates and charges are always available from your Service Representative.

	Residence		Business
Town	One-Party	Two-Party	One-Party
Ames	9.55	7.20	24.65

Customer Line Charge . . .
Business $4.98

As required by the Federal Communications Commission (FCC), a monthly Customer Line Charge also applies to business customers having more than one line.

Rates for customers outside of the base rate area listed above may vary. Check with your telephone company for rates.

Charges to install and change your service

The Northwestern Bell one-time charges to install or change your service may vary, depending on the type of work that is done. Here is how we figure the charges:

	Residence	Business
Service order (new service)	**17.00**	**25.00**
Service order (subsequent)	**12.00**	**21.00**

These charges are for the processing of your order when you install or make changes in telephone service.

	Residence	Business
Central office connection charge	**16.00**	**24.00**

This charge is for the work we do to connect your line to our switching office.

Optional services at additional charge

Touch-Tone® service

Customers providing telephones using tone-emitting push-buttons instead of a rotary dial must have their telephone line equipped to handle Touch-Tone service. Contact your Service Representative to have the telephone company make the necessary changes in its central office so your push-button phones will work properly. Touch-Tone service may be necessary to use some long distance services.

An additional monthly charge applies for the use of Touch-Tone service.

	Monthly Rate	
	Residence	Business
Touch-Tone (per line)	**1.45**	**2.75**

Additional services

Busy verify . . . $.40 per request
This service means that upon request an operator will verify the status of a telephone line.

Interrupt . . . $.65 per request
This service means that upon request an operator will interrupt a call to tell a customer that someone else wants to call their number.

Local operator assistance
This service means that upon request an operator will dial a local call for a customer. Different charges apply depending on billing arrangements.

Calling Card/Special Billing Number	**$.50 per call**
All other Station Calls	**$.95 per call**
Person-to-Person	**$2.25 per call**

Directory listings

Listing comes with new service
With your basic telephone service, you receive a listing in the white pages of your phone book. Two customers with the same last name can have their first names listed at no charge. Your address may be omitted from the listing if so desired. Business customers also receive a listing in the Yellow Pages.

To change your listing
If you want to change your white page listing for the next phone book, just call your Service Representative before *6-14-85 — the directory "close date." For each listing change, you pay a one-time subsequent service order processing charge.

*This date is approximate and could change without notice. To ensure a timely listing change, it's a good idea to call as far in advance as possible.

Additional listings . . .
Residence $.75/mo.
Business $1.20/mo.
This service is for people (such as roommates), who share a telephone number and want each name listed in the white pages of the telephone directory.

Non-published number . . . $1.80/mo.
This service means that your telephone number is not in the directory and is not available through Directory Assistance.

Non-directory listed . . . $.85/mo.
With this service your telephone number is not listed in the directory but it is available from Directory Assistance.

Errors in directory listings
If your listing is incorrect or omitted from this directory, please contact your Telephone Company. We will correct our records to assure that such an error or omission does not recur.

How to obtain directories
Additional directories or directories for other areas may be obtained by calling your Service Representative. In some cases a charge may apply for out-of-town directories. Telephone directories of principal United States cities are available for your use at most libraries.

Disconnecting your service

No charge to disconnect service
There is no charge to disconnect service. Call your Service Representative to make the necessary arrangements. If you wish, charges can be stopped the day you call.

Services for Disabled Customers

Services for all disabled customers

Services for persons with disabilities

Northwestern Bell provides telecommunications services for customers with certain types of motion, vision, speech and hearing disabilities. If you or someone you know, could benefit from these special services, call your Service Representative.

If you want information about telephone *equipment,* contact a retail supplier of your choice. The sale of telephone equipment is a competitive business and, therefore, we cannot recommend particular suppliers to you. For more information, look in the Northwestern Bell Yellow Pages under "Telecommunications Equipment for the Disabled."

For more information about doing business with us, payment information, local calling areas, local and long distance dialing, etc., look in the appropriate section elsewhere in this Guide.

Exemptions from Operator services charges

If a physical impairment prevents you from placing phone calls for yourself, we don't want you to pay the added costs of having the Operator place calls for you. Contact your Service Representative to see if you qualify for exemption from the usual charges for Operator-assisted calls. This exemption applies only to your home phone service.

Exemptions from Directory Assistance charges

Also, if an impairment makes it impossible for you to look up numbers in the phone book, call your Service Representative to see if you qualify for exemption from charges for calls to the local Directory Assistance Operator.

Services for TDD customers only

What is TDD service?

TDDs (telecommunications devices for the deaf) are typewriter-like devices that permit hearing- or speech-impaired persons to communicate via the telephone lines with other TDD users. The phone receiver fits into an acoustic coupler on the typewriter-like devices and permits the users to type messages back and forth. TDDs are available from numerous outside suppliers. Northwestern Bell does not provide TDDs.

How to reach us on your TDD service

- To establish or change your TDD service
- For billing and other questions about your TDD account contact the Special Needs Center for Disabled Customers, dial toll-free: (TDD only)
  1-800-223-3131

Repair Service

- During regular business hours, dial toll-free (TDD only)
  1-800-233-1222
- All other times, dial toll-free (TDD only)
  1-800-855-1155

Operator Assistance for TDD-users

If you use TDD and need help placing local, long distance, collect, Calling Card, third number or other Operator-assisted calls, or if you get cut off on a call, you can reach TDD Operator Services any time by dialing the toll-free number:
(TDD only) **1-800-855-1155**

*Used with permission of the National Association of the Deaf.

Directory listings for TDD users

A TDD-user can have a listing in the phone book to indicate a TDD, and can have the phone number appear with or without a street address.

The phrase "TDD only" preceding a telephone listing indicates the telephone is answered using a Telecommunications Device for the Deaf, and communication can take place over the line only via another TDD. If a listing includes "TDD & Voice," both TDD-users and speaking/hearing people can communicate over the line.

Special rates for long distance calls within your Bell™ Zone*

If you or someone in your household is hearing or speech impaired and uses a TDD, your home phone service may be eligible for special rates on long distance calls that you dial yourself to telephone numbers within your Bell™ Zone. Calls placed during the day are billed at the evening rates, and calls placed in the evening are charged at the night rate.

To qualify for the discounts, a physician, audiologist, speech pathologist, or a representative of an appropriate state agency must sign a form that you need the TDD to communicate over the phone line. Forms are available from the Center. Call toll-free **1-800-223-3131** (TDD only.) Northwestern Bell will notify you of receipt of your form by contacting you by TDD.

Billing & Payment

TELE-CHEK

The easiest way to pay your bill is with Tele-Chek. You authorize your financial institution to pay your bill directly from your account. No checks, no stamps, no extra trips.

You still receive your bill as a record of your calls and charges, but it is marked paid.

To apply for Tele-Chek, call your Service Representative.

PAYING BY MAIL

You can also pay by mail, using the return envelope included in your bill.
Please enclose the payment card with your payment. Write your account number, which includes your Area Code, telephone number and your three-digit customer code, on your check or money order. This is especially important if for some reason you are not enclosing the payment card.

For Northwestern Bell customers, if the return envelope is not available, address your payment to:

Northwestern Bell
P. O. Box 737
Des Moines, Iowa 50338

PAYING IN PERSON

You must present the complete bill for us to be able to apply the payment accurately and without delay. You may pay your bill at any of the following locations.

Northwestern Bell Customer Payment Center
509 Main, Ames

Campus Book Store,
2300 Lincoln Way, Ames

Northwestern Bell customers have a night depository located at the Customer Payment Center for after-hours payments.

FEATURES OF YOUR BILL

BILL DATE
The date shown at the top of the first page is the Bill Date. This is when Northwestern Bell begins compiling your bill. Payments received after this date may not be included until the next bill.

"DUE BY" DATE
Northwestern Bell should receive your payment on or before this date. If you can't have the payment to us by that date, call your Service Representative. We will try to make suitable payment arrangements.

Customers who do not meet their payment obligations may have their service interrupted. To restore service, all charges owed must be paid, including a reconnection charge. A security deposit may also be required.

DETAIL OF CURRENT CHARGES
This page (or pages) includes a summary of current charges. More specific detail of these charges is given on subsequent pages. Also on this page are numbers to call to reach Northwestern Bell with questions about our charges, to order new services or change your existing service.

DETAIL OF OTHER CHARGES AND CREDITS
This page is included if you have prorated and/or one-time charges and credits. These charges/credits are listed separately for each company that provides you with service, if that company has arranged with Northwestern Bell to prepare its billing.

DETAIL OF ITEMIZED CALLS
This page shows charges for each long distance call, and includes the date of the call, its length and the type of call. These charges are listed separately for Northwestern Bell long distance calls as well as for each long distance company that has arranged with Northwestern Bell to prepare its billing.

QUESTIONS ABOUT LONG DISTANCE CHARGES
If you have questions about any of your long distance charges, call the appropriate company billing inquiry number listed on the page containing the information in question.

SPECIAL BILLING NOTIFICATION
If an unusually high amount of long distance charges are being billed to your account, we may contact you. This is for your protection.

Consumer Rights and Responsibilities

Consumer rights

How to complain
Your Northwestern Bell Service Representative has a basic responsibility to answer your questions and resolve your problems. If you're not satisfied, feel free to ask for a supervisor or the manager. If you're still not satisfied, you may write a letter detailing your complaint and send it to:

Supervisor-Customer Complaints,
Northwestern Bell
620 Ninth St.
Des Moines, Iowa 50309

If you cannot get your problem resolved, you may refer your complaint to:
Iowa State Commerce Commission
Consumer Services Section
Lucas Building, 5th Floor
Des Moines, Iowa 50319
(515) 281-5979

For a copy of Northwestern Bell's Statement of Consumer Rights, please write to:
District Manager
Customer Relations
Northwestern Bell
620 Ninth St.
Des Moines, Iowa 50309

How to get credit for loss of service
If you have reported that you are unable to make or receive calls and Northwestern Bell's equipment is out of service more than 24 hours, you are entitled to a credit on your next bill for the local service charges. Northwestern Bell is not liable for any losses or damages beyond refund of local service charges.

Consumer responsibilities

Customers' payments
Customers are responsible for making their payments in full and on time each month, or calling their Service Representative to find out about special arrangements. Otherwise, their telephone service may be temporarily disconnected.

Harassment by telephone
It is a crime under both state and federal laws for anyone to make obscene or harassing telephone calls. These laws have penalties of imprisonment and/or a fine.

Yielding a party line in an emergency
State law makes it a crime to refuse to yield a party line immediately when told the line is needed for an emergency. It is also unlawful to take over a party line by stating falsely that the line is needed for an emergency. The penalty for either offense shall be a fine or imprisonment, or both.

Unlawful wiretapping is subject to prosecution
It is a crime under federal and state laws for any person to wiretap or otherwise intercept a telephone call, unless that person has first obtained the consent of one or both of the parties actually participating in the call. Properly authorized law enforcement officers can take part in interceptions without the consent of either party, when proceeding under court orders issued following the appropriate federal or state law. The penalty for illegal wiretapping can be imprisonment and/or a fine.

Fraudulent billing can lead to prosecution
It is illegal for a person to charge long distance calls to another's number or Calling Card without their permission. Persons placing such calls to avoid payment for service are subject to prosecution and if convicted are subject to imprisonment and/or a fine.

Telephone equipment

Customers are responsible for providing their telephone sets or other telephone equipment. Federal Communications Commission (FCC) guidelines allow you to supply your own telephone or other terminal equipment and connect it directly to the nationwide telephone network. You are not required to obtain your telephone or other terminal equipment from the telephone company in order to receive service. Rates and services are provided on an equal basis no matter where you obtained your equipment.

Telephones or other terminal equipment must be approved by the FCC and inside telephone wiring must meet certain technical standards. You are responsible for the proper connection, maintenance and repair of telephone equipment and inside wiring you are providing.

A charge of **$26** will apply for each repair visit by the telephone company requested by you when it is determined that the difficulty was not due to a condition in Northwestern Bell equipment or service. This charge is to recover the costs of sending a repair technician to your premises. However, if your telephone system is served through common equipment, such as Key Systems, CENTREX/CENTRON or PBXs, the charge is **$39.** No charge applies if the difficulty is found in the telephone company equipment.

FCC rules also require that you notify the telephone company before connecting your equipment.

Privately owned data equipment may be connected to certain semi-public phone service. Contact your Service Representative for information.

A charge of **$125** will apply for each repair visit by the telephone company requested by a data customer when the service difficulty is determined not to be in Northwestern Bell equipment or service.

Telephone sets for customers with multi-party service
Telephones used on party lines require wiring modifications to work properly. Non-modified or improperly modified sets will cause problems. They might not ring when their numbers are dialed. Or they might cause billing errors on long distance calls.

Although Northwestern Bell will no longer repair or provide telephone sets after January 1, 1984, we will modify new or replacement sets from other suppliers. **However, there will be charges for this work.**

WARNING TO PARTY LINE CUSTOMERS: Before purchasing or leasing a phone, ask the supplier if it can be modified for party line use. If a Northwestern Bell technician makes a trip to your premises and finds your new phone can't be modified, you would still have to pay for the house call.

(Customers of Independent Telephone Companies should contact their local business office regarding telephone equipment.)

Consumer information

Our employees carry company identification cards
For your safety every Northwestern Bell employee is required to carry an identification card showing his or her name, and a photograph. If you have any doubt whether people are from the phone company, please ask to see their card.

Directory errors and omissions
Northwestern Bell's liability due to errors in or omissions of directory listings shall be limited to and satisfied by an amount not exceeding one-half of the local exchange service charges (lines or trunks if PBX-CENTREX) for the service affected for the period from the date of issuance of the directory in which the mistake occurred to the date of issuance of a new directory containing the proper listing.

This tariff is on file with the Iowa State Commerce Commission and is also available for review at your telephone company.

Northwestern Bell has attempted to publish information that is current and accurate. However, the company cannot guarantee errors will not occur. The company is not responsible for the accuracy of material supplied by its subscribers or advertisers. How to handle obscene, abusive, threatening or harassing calls
If you ever receive obscene, abusive, harassing or threatening calls, follow these suggestions:

1. Hang up at the first obscene word. Hang up if the caller remains silent the second time you say hello. Remember, YOU CONTROL YOUR TELEPHONE, not the person calling.
2. Do not give any information, such as your name or address, until the caller has been properly identified.
3. Advise your children and guests not to give out any information. If you are not at home, those answering your telephone should be instructed to say, "They're busy right now, may I take a message?"
4. If calls persist call your Telephone Company or your Police Department.

Telephone safety
The telephone is one of the safest appliances in your home or office, but there are a few situations where a telephone user should be cautious.

- Do not use the telephone while you are in the bathtub, shower, or swimming pool. Putting the telephone in water could cause a shock.
- Avoid using the telephone during electrical storms in your immediate area. Urgent calls should be brief. Northwestern Bell uses protective measures to limit electrical surges from entering your home, but absolute protection from lightning is impossible.
- If you suspect a gas leak, report it immediately, but use a telephone away from the area in question. The telephone's electrical contacts could create a tiny spark when you dial. While unlikely, it is possible that this spark could ignite heavy concentrations of gas.

NORTHWESTERN BELL CALLING CARD

Enjoy telephone charge privileges locally, nationally . . . even internationally.

With a Northwestern Bell Calling Card you can place local and long distance calls and have them billed to your regular monthly statement.

HOW TO GET A CALLING CARD
To apply for a free Northwestern Bell Calling Card, call your Service Representative.

IF YOU LOSE YOUR CALLING CARD
If your Northwestern Bell Calling Card is lost, stolen or destroyed, call your Service Representative. You will not be charged for calls you did not place. Arrangements will be made to issue you a new Calling Card.

CALLING CARD CALLS FROM HOTELS/MOTELS

IN MOST CASES, FROM TOUCH-TONE® PHONES, dial:

8 + **0** + **Area Code** (if needed) +
(Enter Calling Card number after tone)

FROM ROTARY DIAL PHONES:

Call Hotel/Motel operator who will assist you with a Calling Card call.

For complete dialing instructions on the use of your Northwestern Bell Calling Card, see Customer Guide page 12.

PROBLEMS WITH CALLS

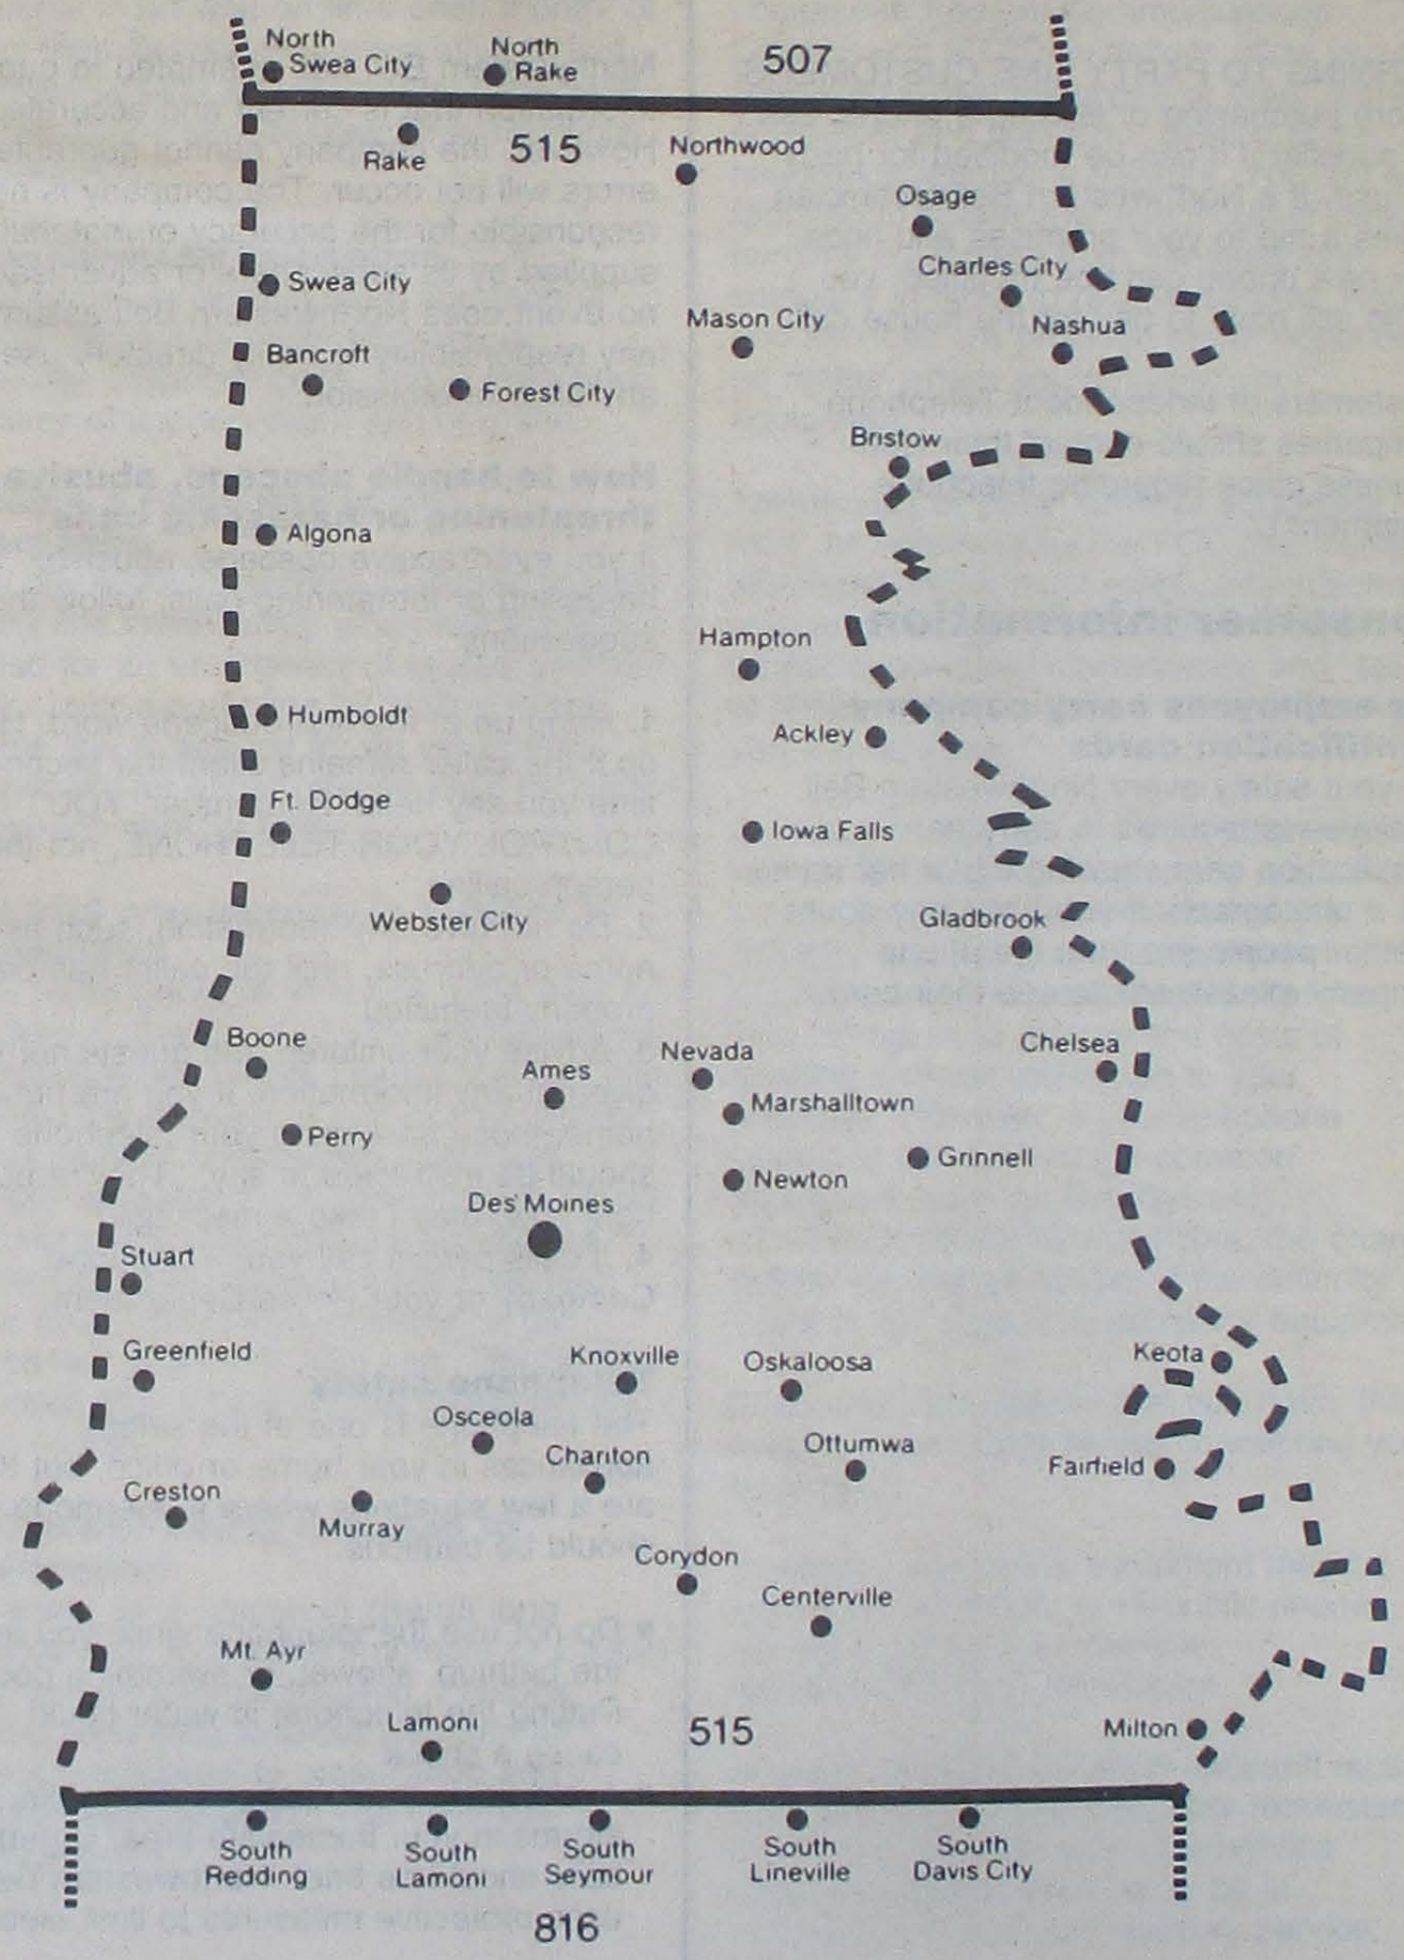

If you reach a wrong number, have a poor connection, or are disconnected, hang up and dial "0" right away. Explain what happened so the Operator can arrange for the proper credit.

Bell™ Zones

Bell™ Zones are new boundaries for Northwestern Bell customers. A Bell™ Zone is a geographic area within which the local telephone company provides local and long distance services, plus access to the nationwide long distance carriers.

Northwestern Bell in Iowa has five Bell™ Zones and provides long distance service within each of its Bell™ Zones. However, we do not provide long distance service between Bell™ Zones, even when both Bell™ Zones are served individually by Northwestern Bell.

This map shows you the boundaries of your Bell™ Zone, and some of the towns that are included. A complete list of towns and telephone prefixes included in your Bell™ Zone is on the following page.

Rate: Busy verification 40¢
Busy verification & interrupt 65¢

If you ask the Operator to dial a station call, the 95¢ station call service charge applies.

*On long distance calls from Iowa to other states, service charges may vary.

Dial-direct rates

Dial-direct calls are those completed from a residence or business phone without operator assistance.

On dial-direct calls, **you pay only for the minutes you talk.** The initial rate period is **one minute** any time of day or night.

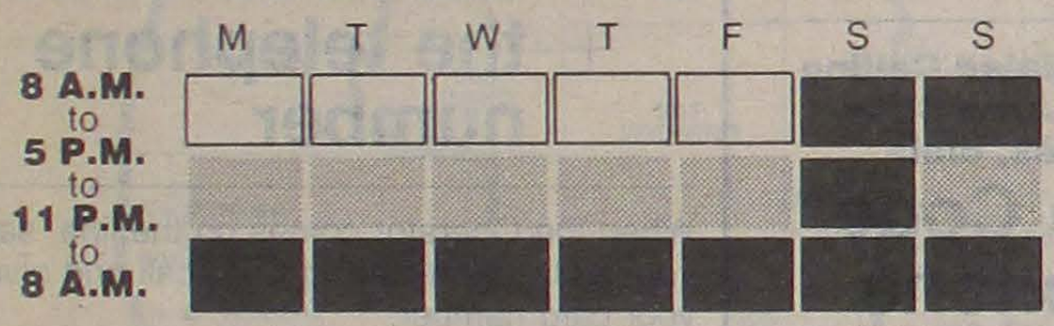

Specific rate period billing charges

If you start your call during one rate period and hang up in another rate period, you will be billed at the rates applicable to each period. For example, if you begin a call at 4:50 p.m. and hang up at 5:50 p.m., you're charged the full rate for 10 minutes and 35% off for the last 50 minutes (based on a weekday call).

The Hawkeye State Plan Within Your Bell™ Zone

If you frequently call long distance within an approximate 30-mile radius, The Hawkeye State Plan may be of interest to you. For a $1.00 monthly charge plus a one time service order charge, after 12 noon on weekdays and all day Saturday and Sunday, long distance calls you dial yourself to nearby communities in Iowa will be discounted 25%. Calls made on holidays are billed at the regular long distance rates and holiday discount rates apply. Call your local telephone company for more information. These are Northwestern Bell rates. Other communities may vary.

Additional savings apply evenings, nights and weekends.

Customer-dialed Calling Card rates

Calling Card calls are a convenient way to place long distance calls and have them billed to your regular monthly bill.

Calling Card calls cost more than dial-direct but less than operator-assisted calls.

The initial period for Calling Card calls is **one minute.** The initial period is charged at dial-direct rates plus a service charge. (See chart below.) Additional minutes are charged at dial-direct rates and include the same discount applicable to the time period when you call.

Operator-assisted rates

Operator-assisted calls are those requiring the assistance of an operator to complete the call. These include person-to-person, coin, collect, billed to a third number, hotel guest, time and charges and operator-assisted Calling Card calls.

The initial period for all operator-assisted calls is **one minute.** The initial period is charged at dial-direct rates with the applicable discount rate for the time period when you call plus a service charge. (See chart below.)

Additional minutes are charged at dial-direct rates, and include the same discount applicable to the time period when you call.

To determine the cost of some sample Customer-dialed Calling Card or operator-assisted calls, first figure the dial-direct rate for a specific call from the chart to the left. Then add the following amounts to that rate:

Service Charges**

Dial-direct rate plus ▶	**Customer-dialed Calling Card**	**Operator-assisted**	
		Station-to-Station	**Person-to-Person**
	$ .50	$ .95	$2.25

**Evening and night/weekend discounts do not apply to service charges.

Holiday rates

New Year's Day/July 4th/Labor Day/Thanksgiving/Christmas Day. On these holidays, the evening rate applies all day on dial-direct calls within your Bell™ Zone unless a lower rate would normally apply (nights & weekends).

*See page 11 for an explanation of Bell™ Zone

LONG DISTANCE CALLING

Calls to other Bell™ Zones** and other Area Codes

*ACCESS CODES: LONG DISTANCE SERVICE

Long distance services to other points outside your Bell™ Zone (see page 10) are provided by companies other than Northwestern Bell. Local telephone company equipment recognizes which long distance company you are using based on the digits you dial at the beginning of each call. These first digits are the Access Code.

Be sure you dial the appropriate Access Code for the long distance company you wish to use. If you do not know the correct Access Code contact your long distance company.

Area Codes and local numbers will not vary among the companies providing long distance calling services.

Other long distance companies offer services on calls outside your Bell™ Zone. These might include credit card or special billing arrangements. Contact your long distance company for more information.

Dialing direct

To place a direct-dialed call outside your Bell™ Zone but within your area code, dial:

X* + the telephone number

*Long distance service access code (see explanation above)

To place a direct-dialed call outside your area code, dial:

X* + the Area Code + the telephone number

*Long distance service access code (see explanation above)

Operator-assisted calls

AT&T offers operator-assisted long distance calling. To place collect, bill to third number, time and charges, person-to-person calls:

Within your area code, dial:

0 + the telephone number

Outside your area code, dial:

0 + the Area Code + the telephone number

Calling Card Calls

This service of AT&T allows you to place Calling Card calls to other Bell™ Zones without operator assistance.

To place a Customer-dialed Calling Card call within your Area Code from Touch-Tone phones, dial:

0 + the telephone number (wait for tone) + Calling Card number

To place a Customer-dialed Calling Card call outside your Area Code from Touch-Tone phones, dial:

0 + the Area Code + the telephone number (wait for tone) + Calling Card number

Sequence calling

You can place more than one Calling Card call without entering the full card number each time.

To place a sequence call from a Touch-Tone phone:

Don't hang up

Dial # + the new number

Billing on the first call stops when you begin your sequence call. You don't have to redial your Calling Card number to have the new call automatically charged to the billing number.

To place a Customer-dialed Calling Card call within your Area Code from rotary dial phones, dial:

0 + the telephone number

To place a Customer-dialed Calling Card call outside your Area Code from rotary dial phones, dial:

0 + the Area Code + the telephone number

When the Operator comes on the line, say you're placing a Calling Card call and give your card number.

Other Long Distance Carriers

Other long distance carriers may also offer additional services on calls to other Bell™ Zones. These might include credit card or special billing arrangements. Contact your long distance carrier for more information.

Rates to other Bell™ Zones**

Long distance service to telephone numbers in other Bell™ Zones is provided by other companies, even if that Bell™ Zone is within the Northwestern Bell area. Rates for these types of calls are determined by the companies that provide this service. Long distance calling services from one Bell™ Zone to another are competitive services and, therefore, we cannot recommend any particular company to you. For more information, look in the Yellow Pages under "Telephone" headings.

**See page 11 for an explanation of Bell™ Zones

Area Codes and Time Zones

Area Codes

The three-digit Area Code for this directory is indicated on the front cover.

The Area Code of the telephone you are calling should be dialed if it is different from the Area Code of the telephone you are using. It should not be used if both Area Codes are the same.

When you give someone your telephone number, include your Area Code — it might be needed to place a call to you.

Consult Area Code list on page that follows for specific cities not indicated on these maps.

If you want the Area Code for a place not listed, dial Directory Assistance. Directory Assistance charges apply if your calling allowance has been used.

Modular and non-modular outlets

17

These drawings show you how to identify and use modular outlets, and how to change some non-modular outlets to modular ones. Modular outlets let you plug in or move your own telephones. The drawings show you some types of outlets that could be in your home. However, these illustrations are not intended to be all-inclusive, and the outlets you have in your home may be different. For more information, contact a retail supplier. The sale of this type of equipment is a competitive business and, therefore, we cannot recommend particular suppliers to you. For more information, look in the Yellow Pages under "Telephone Equipment & Systems" headings.

Figures 1-4 show some outlets for modular telephones. Just line up the clip at the end of the cord with the outlet, and insert it. To disconnect it, squeeze the clip with your thumb and forefinger and gently pull it out.

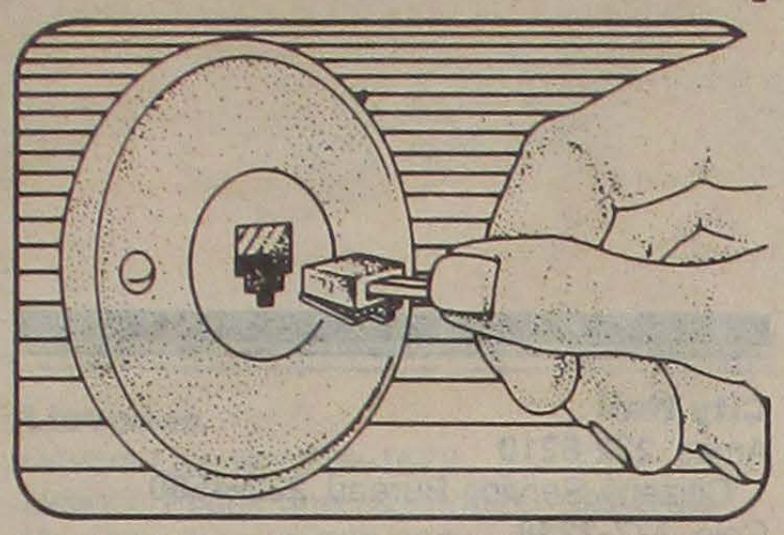

Figure 5 shows a special outlet for modular phones. To use it, push the cover in the direction of the arrow and insert the clip end of the modular cord. Then release the cover. It will spring back and fit snugly around the cord.

Figure 6 shows the outlet for a modular wall telephone. Line up the rivets on the outlet plate with the openings on the back of the phone. Push the phone lightly against the mounting and slide it down into place. To disconnect it, slide the phone up to lift it off the rivets, and pull it away from the wall.

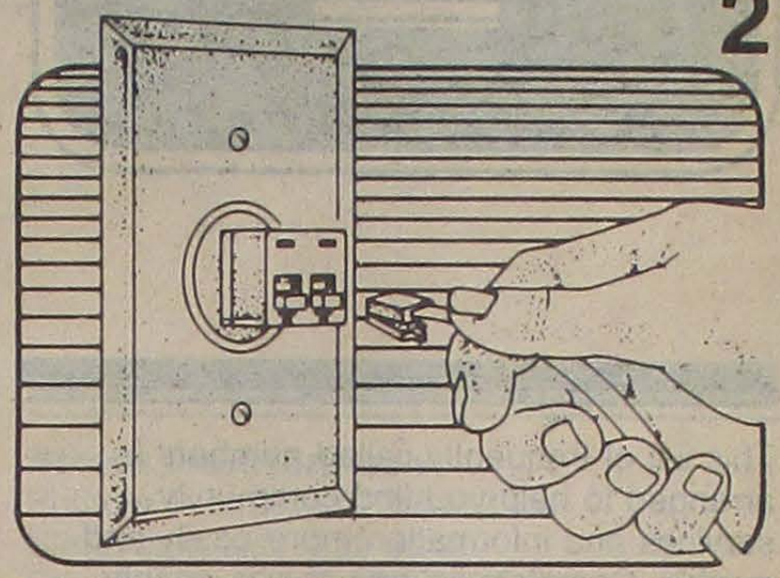

Figure 7 shows some non-modular outlets. You can easily change them to modular outlets by using special converters (not shown). Call your Service Representative for more information.

Figure 8 shows some other non-modular outlets (B thru E) and a sample converter (A). The converter permanently changes them to modular outlets to use with a modular cord. Plug the converter into the outlet, then plug the cord into the converter.

With all the numbers in your life...

Area Codes are sometimes hard to remember.

If you're not sure of the Area Code when dialing long distance, don't guess! Turn to the **Customer Guide** in the front of this book. You'll find a map, showing Area Codes in your state and a list of Area Codes for major cities in the 50 states, Puerto Rico and Canada. If you still can't find the Area Code, call Directory Assistance.

NORTHWESTERN BELL

TO CALL A PARTY ON YOUR LINE

Two-Party customers dial the listed number, hang up. Your bell and the bell of the called telephone will ring until the called telephone answers. When your telephone stops ringing, lift your receiver and begin your conversation. If no answer, lift your receiver for a moment and then replace it. This will stop the ringing and will clear the line for other calls.

What to do about annoying telephone calls

Here are some suggestions that will help you handle annoying telephone calls and perhaps keep them from recurring.

Annoying sales or survey calls

1. A telephone call is just as personal as a face-to-face conversation. Don't feel obligated to answer questions just because the caller sounds "official." Don't answer questions on the phone you wouldn't answer if they were asked by a stranger on the street.
2. Always find out who is calling and the company he or she represents.
3. If the caller is a salesperson and you aren't interested, say so. Ask the caller to send you all the information in a letter so you can consider it at your leisure.
4. If you don't recognize the name of the company conducting a survey, offer to call back or ask the caller to call you again after you have time to check the firm with the Better Business Bureau.
5. Remember, it's your phone and your time. If you're simply not interested, say so. If the caller is rude enough not to let you go graciously, hang up.

Nuisance Calls

1. Always use the telephone on your terms, not those of the caller. Don't talk to anybody unless you want to.
2. Ask the caller for his or her identity. When a voice asks, "Who is this?" don't answer. Instead, ask "What number did you call?" or "Who do you want?" If the call isn't legitimate, that very likely will end it.
3.Tell your children and their baby sitter never to talk on the phone to anybody they don't positively recognize. An innocent comment like "Daddy's out of town" could be helpful to a burglar. Teach them to ask for the number so someone can call back later.
4. If the caller remains silent after you answer, *hang up!* Some want to listen, just to see what you'll do, particularly to see if you'll be angry. It isn't much fun listening to a dead line.

Abusive, harassing or obscene calls

1. As with the milder nuisance calls, this caller might remain silent for a little while. Don't give the caller a chance to get started. Hang up!
2. If a caller makes any obscene or suggestive remarks, hang up.

Threatening calls

In this category are the extreme cases—the bomb threats, the threats to life and property, the threats of kidnapping, robbery or bodily injury to members of the family. Sometimes, too, these calls are repeated over an extended period of time to harass and frighten a family. If you are unfortunate enough to be a victim of such a campaign, *call the police and call the telephone company—immediately.*
We will work with you and the police to eliminate the problem.

Persistent annoying calls

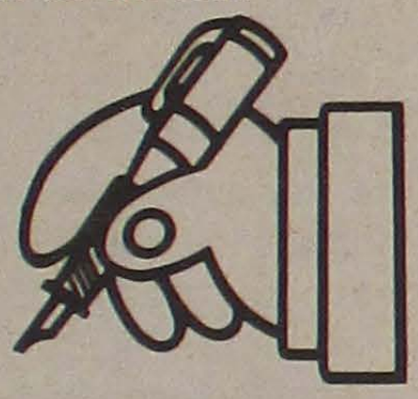

If you keep getting annoying calls, apparently from the same person, after you've used the techniques suggested on this page, call the telephone company's business office. We'll do our best to help.
We have representatives who are trained to investigate and help identify the source of these calls.

How to save time and worry on the telephone

USE AREA CODES.
Avoid calling wrong numbers by dialing the correct Area Code when you're calling outside your own Area Code. Area Codes are listed in the Customer Guide section in the front of the directory.

SHOP BY PHONE.
Shopping by phone can save you time, effort and transportation costs. You'll find most anything you need quickly and easily in the Yellow Pages. Business and professional people are listed by the product or service they provide. Check the Yellow Pages' "Action Index" where subjects are cross-referenced.

ARRANGE FOR A CONFERENCE CALL.
Owe the relatives a call? Call them all at once. The operator can set up a conference call and get you all on the line at the same time. To speed connections, pre-arrange the call. The operator can tell you in advance how much the call will cost.

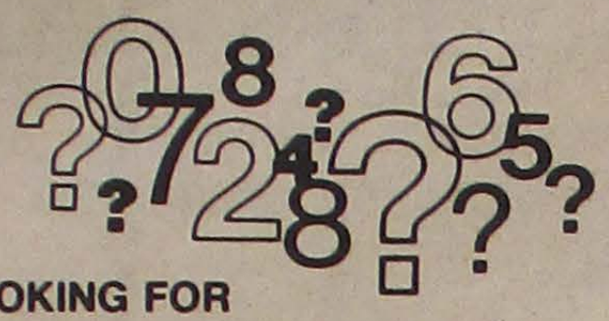

WRITE IN YOUR PHONE BOOK.
You'll find names and numbers easily the second time if you underline or circle them in the directory when you first look them up.

MAKE A LIST.
You can speed the time it takes to get in touch with people if you make a list of the numbers you call frequently.

BEFORE YOU DIG OR TRENCH:
To avoid cutting a buried telephone cable, please call the phone company before you dig. The special number for buried cable locations is listed in the front of this directory. There is no charge, and if may prevent you from knocking out vital telephone service for many people.

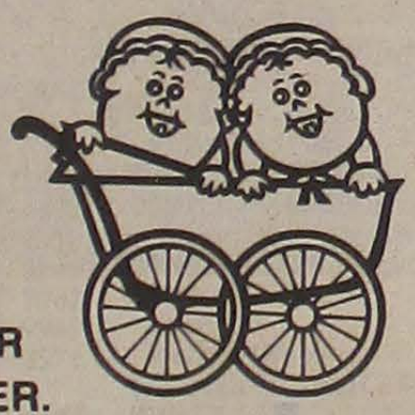

LET IT RING.
Give the person you're calling enough time to answer. Wait at least six rings before you hang up.

LOOKING FOR OUT-OF-TOWN NUMBERS?
Ask us for a directory for any city you call frequently. (There is a charge for out-of-state directories.) If you need the number for someone in a distant city, just dial the Area Code for the city, plus 555-1212. To see what time it is in the place you're calling check the time zones on the Area Code map in the Customer Guide.

NUISANCE OR HARASSING CALLS:
You don't have to listen to pushy sales people. An effective way to stop their annoying calls is to say "no thanks" and hang up. The same "hang up" rule applies for callers who want to harass you or use obscene language on the phone. If these calls continue, call your telephone business office.

RSVP BY PHONE.
It's much faster and easier to answer written invitations by phone. And etiquette experts say it's socially correct.

SHOW YOUR BABY SITTER.
Show your baby sitter where to find phone numbers for fire, police and doctors in case of emergencies. And, of course, leave the number where you can be reached, right beside the phone.

TRAIN THE KIDS.
Teach your children to use the phone properly so they'll be ready in an emergency. Teach small children their phone number; then they can call home if they get lost. Give them change for emergency calls.

IN CASE OF EMERGENCY:
You can be ready for any home emergency if you write down phone numbers for police, fire, ambulance and doctors — and keep these numbers close to your phone. You'll find emergency numbers on the inside front cover of this directory. If, however, the number isn't handy in an emergency, dial "O" (Operator) for assistance. Operators are on duty any time, day or night, to help you.

TELECOMMUNICATIONS CENTER FOR DISABLED CUSTOMERS:
If you or someone you know have a disability or have difficulty using standard telephone service, call the Telecommunications Center for Disabled Customers. We can recommend equipment and services for customers with hearing, speech, vision or motion impairments, and for students confined to their homes. Or, we will do our best to help design an effective solution. Customers using Telecommunications Devices for Deaf Customers (TDDs)* may contact the Center about any aspect of telephone service — including telephone repair service. To reach us, call 1+800+328-8338 (toll-free) by telephone or TDD between 8 a.m. and 5 p.m. weekdays. After business hours, an answering device will record TDD messages.

*formerly called teletypewriters or TTYs

PUT YOUR PHONE NUMBER ON STATIONERY.
Make it easier for friends and business people to get in touch with you by having your phone number and Area Code printed on your letterhead and memos.

TO HAVE YOUR PHONE REPAIRED.
When you have trouble with your telephone company-provided telephone, call Repair Service. The number is listed in the Customer Guide of the directory.

Spirit of Service — a Tradition Continues at Northwestern Bell

One of the best known telephone pictures, "The Spirit of Service," has been symbolizing Bell System tradition for nearly a century. The picture depicts a real incident. In 1888, a fierce blizzard swept the New England area. Angus MacDonald, the man in the painting, and scores of other linemen, patrolled the lines to keep communications open. Nearly a century later, as we enter the Information Age, this Bell System tradition for service reliability is still strong. Through fires, floods, blizzards and other calamities, we keep the lines open.

What to do about annoying telephone calls

Here are some suggestions that will help you handle annoying telephone calls and perhaps keep them from recurring.

Annoying sales or survey calls

1. A telephone call is just as personal as a face-to-face conversation. Don't feel obligated to answer questions just because the caller sounds "official." Don't answer questions on the phone you wouldn't answer if they were asked by a stranger on the street.
2. Always find out who is calling and the company he or she represents.
3. If the caller is a salesperson and you aren't interested, say so. Ask the caller to send you all the information in a letter so you can consider it at your leisure.
4. If you don't recognize the name of the company conducting a survey, offer to call back or ask the caller to call you again after you have time to check the firm with the Better Business Bureau.
5. Remember, it's your phone and your time. If you're simply not interested, say so. If the caller is rude enough not to let you go graciously, hang up.

Nuisance Calls

1. Always use the telephone on your terms, not those of the caller. Don't talk to anybody unless you want to.
2. Ask the caller for his or her identity. When a voice asks, "Who is this?" don't answer. Instead, ask "What number did you call?" or "Who do you want?" If the call isn't legitimate, that very likely will end it.
3. Tell your children and their baby sitter never to talk on the phone to anybody they don't positively recognize. An innocent comment like "Daddy's out of town" could be helpful to a burglar. Teach them to ask for the number so someone can call back later.
4. If the caller remains silent after you answer, *hang up!* Some want to listen, just to see what you'll do, particularly to see if you'll be angry. It isn't much fun listening to a dead line.

Abusive, harassing or obscene calls

1. As with the milder nuisance calls, this caller might remain silent for a little while. Don't give the caller a chance to get started. Hang up!
2. If a caller makes any obscene or suggestive remarks, hang up.

Threatening calls

In this category are the extreme cases—the bomb threats, the threats to life and property, the threats of kidnapping, robbery or bodily injury to members of the family. Sometimes, too, these calls are repeated over an extended period of time to harass and frighten a family. If you are unfortunate enough to be a victim of such a campaign, *call the police and call the telephone company—immediately.*
We will work with you and the police to eliminate the problem.

Persistent annoying calls

If you keep getting annoying calls, apparently from the same person, after you've used the techniques suggested on this page, call the telephone company's business office. We'll do our best to help.
We have representatives who are trained to investigate and help identify the source of these calls.

Northwestern Bell Yellow Pages

How to be a better buyer

Millions of people "Let Their Fingers Do The Walking" and shop the Yellow Pages. They find the Yellow Pages an easy, convenient source of telephone numbers and buying information.

As publishers of the Yellow Pages, we want you to be satisfied with our product and to use it frequently. And we know that the best way to do this is to keep your confidence in our directories. We are proud of our record! We will not knowingly accept misleading or unethical advertising. If copy not meeting our standards is found, it is quickly removed.

To help you get greater value in all your buying, we have listed some good shopping tips which are worth remembering.

Price. Service provided after a sale may affect the selling price. Ask if the selling price included delivery, installation and service charges. Also ask about returns and refunds.

Estimates and Receipts. On major purchases, obtain estimates from more than one company. Receipts should be obtained for all payments, as well as for appliances taken from your home or left for repair.

Service and Repair. Check the cost of service calls by telephone. When the repair person is on the premises, ask for an estimate of the total cost of repair, then get an itemized bill before paying.

Contracts and Credit Details. Don't be rushed into signing a contract if you are unfamiliar or unsure. Ask for a copy to take home for a careful review. Learn the terms, interest rate, and payment plan. Be sure to retain a copy of everything you sign.

Guarantees. All guarantees and promises should be in writing. Find out who is responsible for carrying out the terms of the guarantee. If there is a registration card, be sure to send it in.

Licenses. Some professions and occupations are required to be licensed or certified pursuant to local, state, or federal laws. Questions concerning the licensing status of Yellow Pages advertisers should be directed to the appropriate governmental agency.

We know that you will find Yellow Pages Shopping a rewarding experience.

Worry-saver tip:

Annoyance Calls

The best way to put an end to crank, prank, obscene or other annoying calls is to hang up immediately. If the calls persist, call your service representative. In difficult cases, we will work with the customer and authorities to catch the offenders. Threatening calls should be reported immediately to the police.

Check the front pages of this directory for other useful information about your telephone service.

People who are ready to buy turn first to the Yellow Pages. If you have something to sell or a service to offer, here's the place to tell about it.

Worry-saver tip:

Annoyance Calls

The best way to put an end to crank, prank, obscene or other annoying calls is to hang up immediately. If the calls persist, call your service representative. In difficult cases, we will work with the customer and authorities to catch the offenders. Threatening calls should be reported immediately to the police.

Check the front pages of this directory for other useful information about your telephone service.

Every year, 3.9 million Action-People in Northwestern Bell territory find it fast in the Yellow Pages.

Let the Yellow Pages help you buy. It's easy to find someone listed who can serve you.

New in town? Get acquainted through the Yellow Pages. You'll find the products and services you need listed here.

Save time, steps and money by shopping at home in the Yellow Pages.

We take care of smiles like these.

Fashionable young woman smiles. Sweet little girl smiles. Good lookin' guy smiles. Any kind of smile you've got, we care for.

We are conveniently located in downtown Ames near a Cy- Ride bus stop. Emergencies, walk right in.

Cost? Smile. All fees and associated costs are fully explained before any work is undertaken.

Worry-saver tip:

Annoyance Calls

The best way to put an end to crank, prank, obscene or other annoying calls is to hang up immediately. If the calls persist, call your service representative. In difficult cases we will work with the customer and authorities to catch the offenders. Threatening calls should be reported immediately to the police.

Check the front pages of this directory for other useful information about your telephone service.

Worry-saver tip:

Annoyance Calls

The best way to put an end to crank, prank, obscene or other annoying calls is to hang up immediately. If the calls persist, call your service representative. In difficult cases we will work with the customer and authorities to catch the offenders. Threatening calls should be reported immediately to the police.

Check the front pages of this directory for other useful information about your telephone service.

Worry-saver tip:

Annoyance Calls

The best way to put an end to crank, prank, obscene or other annoying calls is to hang up immediately. If the calls persist, call your service representative. In difficult cases we will work with the customer and authorities to catch the offenders. Threatening calls should be reported immediately to the police.

Check the front pages of this directory for other useful information about your telephone service.

Before You Buy Any Phone System, Call Us!

We'll get your office out of the Phone Age.

The traditional phone is woefully out of date in today's automated office. It's a relic of a bygone era we call the "Phone Age."

An InterTel phone system does things you never thought a telephone could do. And any size business can afford one.

Worry-saver tip:

Annoyance Calls

The best way to put an end to crank, prank, obscene or other annoying calls is to hang up immediately. If the calls persist, call your service representative. In difficult cases, we will work with the customer and authorities to catch the offenders. Threatening calls should be reported immediately to the police.

Check the front pages of this directory for other useful information about your telephone service.

names 'n numbers

There's room on this page to write the telephone numbers of friends, neighbors, babysitters, doctors and other people you call from time to time.

We hope you'll write all over it and keep it handy. You'll find it's a convenient way to keep track of local and long distance numbers. And it's a time-saver too.

JEWELL

NORTHWESTERN BELL

Your complete telephone number is needed on long distance calls-both to and from Jewell-and whenever you give your number to others. However, on local calls to other Jewell telephones, the first two numbers-82-may be omitted.

HOW TO CALL ANOTHER PARTY ON YOUR LINE

Two-party customers dial 421.

After dialing the number hang up. Your telephone and the called telephone will ring until the call is answered. When the ringing stops, remove receiver and start your conversation. If no answer, remove receiver for a few seconds and then replace it to stop the ringing.

GENERAL TELEPHONE

TO CALL A PARTY ON YOUR LINE

If on repeated attempts to call a number the line is always busy it may be that the called number is on your line. Or if it is known that the party you wish to call is on your line, and you wish to call that party, proceed as follows:

1. Lift your receiver and listen for dial tone.
2. Dial 99 and directory listed number.
3. After dialing you will hear the busy tone. Then replace your handset. Allow a reasonable length of time for other party to answer, then pick up your handset and talk.
4. When the party you are calling answers, he will hear a 'ticking' sound which indicates that he should wait for calling party to speak.
5. If the called party does not answer, replace your handset.

Two things to teach children about the telephone...

how to dial emergency numbers... and how to dial "home"

Emergencies are never expected. But they **do** happen.

Teach children how to dial emergency phone numbers. Children should also be taught to give their name, their address (including town) and their phone number during an emergency call.

Remember, as children get older and braver, they sometimes get lost.

By teaching children their home phone number, they can call you, or give the number to someone who can.

You'll feel better... and the children will, too.

Be careful not to turn your teaching into a game. Children should know the telephone is **not** a toy.

THE EASY WAY TO KEEP IN TOUCH

...by using your phone away from home

of Science and Technology

STAFF AND RESIDENCE HALLS DIRECTORY

EMERGENCY CALLS FROM CAMPUS TELEPHONES

FIRE ..... Dial 9, then 911
POLICE ..... Dial 9, then 911
AMBULANCE OR MEDICAL EMERGENCY ..... Dial 9, then 911
UNIVERSITY SECURITY 4-4428

INFORMATION FOR LOCAL TELEPHONE NUMBERS, FROM CAMPUS TELEPHONES

For campus numbers ..... 8 A.M. to 5 P.M. Dial Operator
For student numbers ..... 8 A.M. to 5 P.M. Dial Operator
5 P.M. to 12 MIDNIGHT Dial 4-4357
For off-campus numbers ..... Dial 9, then 1411

YOUR UNIVERSITY HAS A MODERN TELEPHONE SYSTEM CALLED CENTREX

Centrex service is easy to use—

- **To call another campus telephone,** dial the last five digits of the listed number.
- **To call an off-campus telephone,** dial 9, then dial the listed number.
- Off-campus callers and out-of-town callers can dial direct to University telephones without going through a central switchboard by dialing the complete 7-digit number.

YOU CAN DIAL ALL YOUR OWN LONG DISTANCE CALLS FROM RESIDENCE HALL PHONES

WHEN YOU DIAL A LONG DISTANCE CALL, IT WILL BE AUTOMATICALLY CHARGED TO THE RESIDENCE HALL TELEPHONE YOU ARE USING.

STUDENT RESIDENCE HALL BILLING

Northwestern Bell will send a statement of long distance calls to residence hall rooms about the 5th of each month. Each room resident will be responsible for his or her own calls, but it may be convenient for one roommate to collect for the calls the others made and pay the entire bill. Payment is due when bill is received and past due by the 17th.

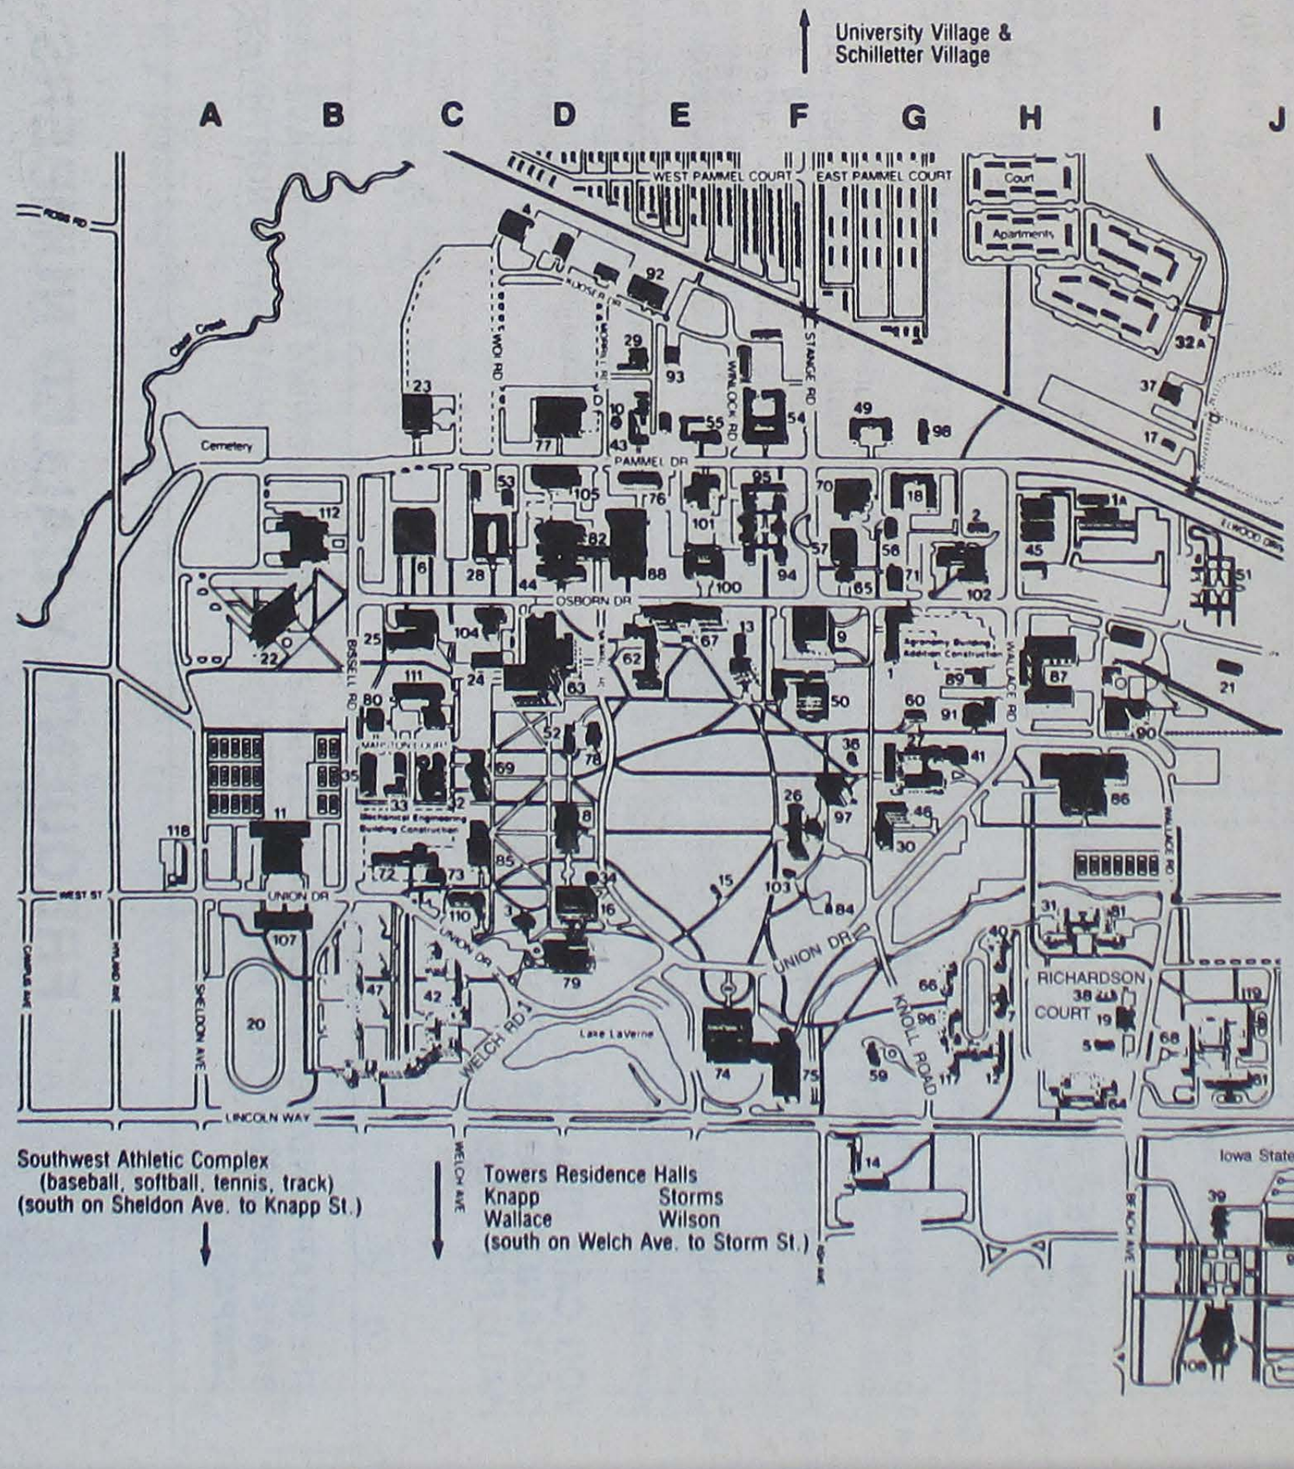

Payments can be made by mail, in person at the telephone business office, 509 Main or in person at our payment agency listed below:

How to save time and worry on the telephone

USE AREA CODES.
Avoid calling wrong numbers by dialing the correct Area Code when you're calling outside your own Area Code. Area Codes are listed in the Call-Guide section in the front of this directory.

SHOP BY PHONE.
Shopping by phone can save you time, effort and transportation costs. You'll find most anything you need quickly and easily in the Yellow Pages. Business and professional people are listed by the product and service they provide. Check the Yellow Pages' "Action Index" where subjects are cross-referenced.

ARRANGE FOR A CONFERENCE CALL.
Owe the relatives a call? Call them all at once. The operator can set up a conference call and get you all on the line at the same time. To speed connections, pre-arrange the call. The operator can tell you in advance how much the call will cost.

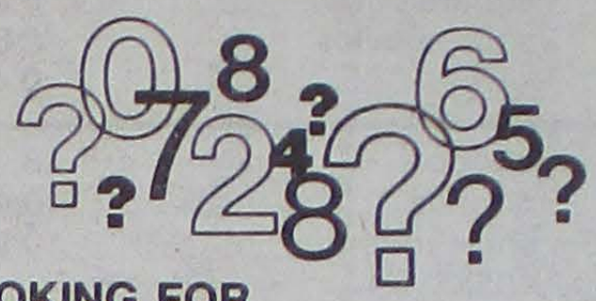

WRITE IN YOUR PHONE BOOK.
You'll find names and numbers easily the second time if you underline or circle them in the directory when you first look them up.

MAKE A LIST.
You can speed the time it takes to get in touch with people if you make a list of the numbers you call frequently.

BEFORE YOU DIG OR TRENCH.
To avoid cutting a buried telephone cable, please call the phone company before you dig. The special number for buried cable locations is listed in the front of this directory. There is no charge, and it may prevent you from knocking out vital telephone service for many people.

LET IT RING.
Give the person you're calling enough time to answer. Wait at least six rings before you hang up.

LOOKING FOR OUT-OF-TOWN NUMBERS?
Ask us for a directory for any city you call frequently. (There is a charge for out-of-state directories.) If you need the number for someone in a distant city, just dial the Area Code for the city, plus 555-1212. To see what time it is in the place you're calling, check the time zones on the Area Code map in the Call-Guide.

NUISANCE OR HARASSING CALLS.
You don't have to listen to pushy sales people. An effective way to stop their annoying calls is to say "no thanks" and hang up. The same "hang up" rule applies for callers who want to harass you or use obscene language on the phone. If these calls continue, call your telephone business office.

RSVP BY PHONE.
It's much faster and easier to answer written invitations by phone. And etiquette experts say it's socially correct.

SHOW YOUR BABY SITTER.
Show your baby sitter where to find phone numbers for fire, police and doctors in case of emergencies. And, of course, leave the number where you can be reached, right beside the phone.

TRAIN THE KIDS.
Teach your children to use the phone properly so they'll be ready in an emergency. Teach small children their phone number; then they can call home if they get lost. Give them change to carry for emergency calls.

IN CASE OF EMERGENCY:
You can be ready for any home emergency if you write down phone numbers for police, fire, ambulance and doctors — and keep these numbers close to your phone. You'll find emergency numbers on the inside front cover of this directory. If, however, the number isn't handy in an emergency, dial "O" (Operator) for assistance. Operators are on duty any time, day or night, to help you.

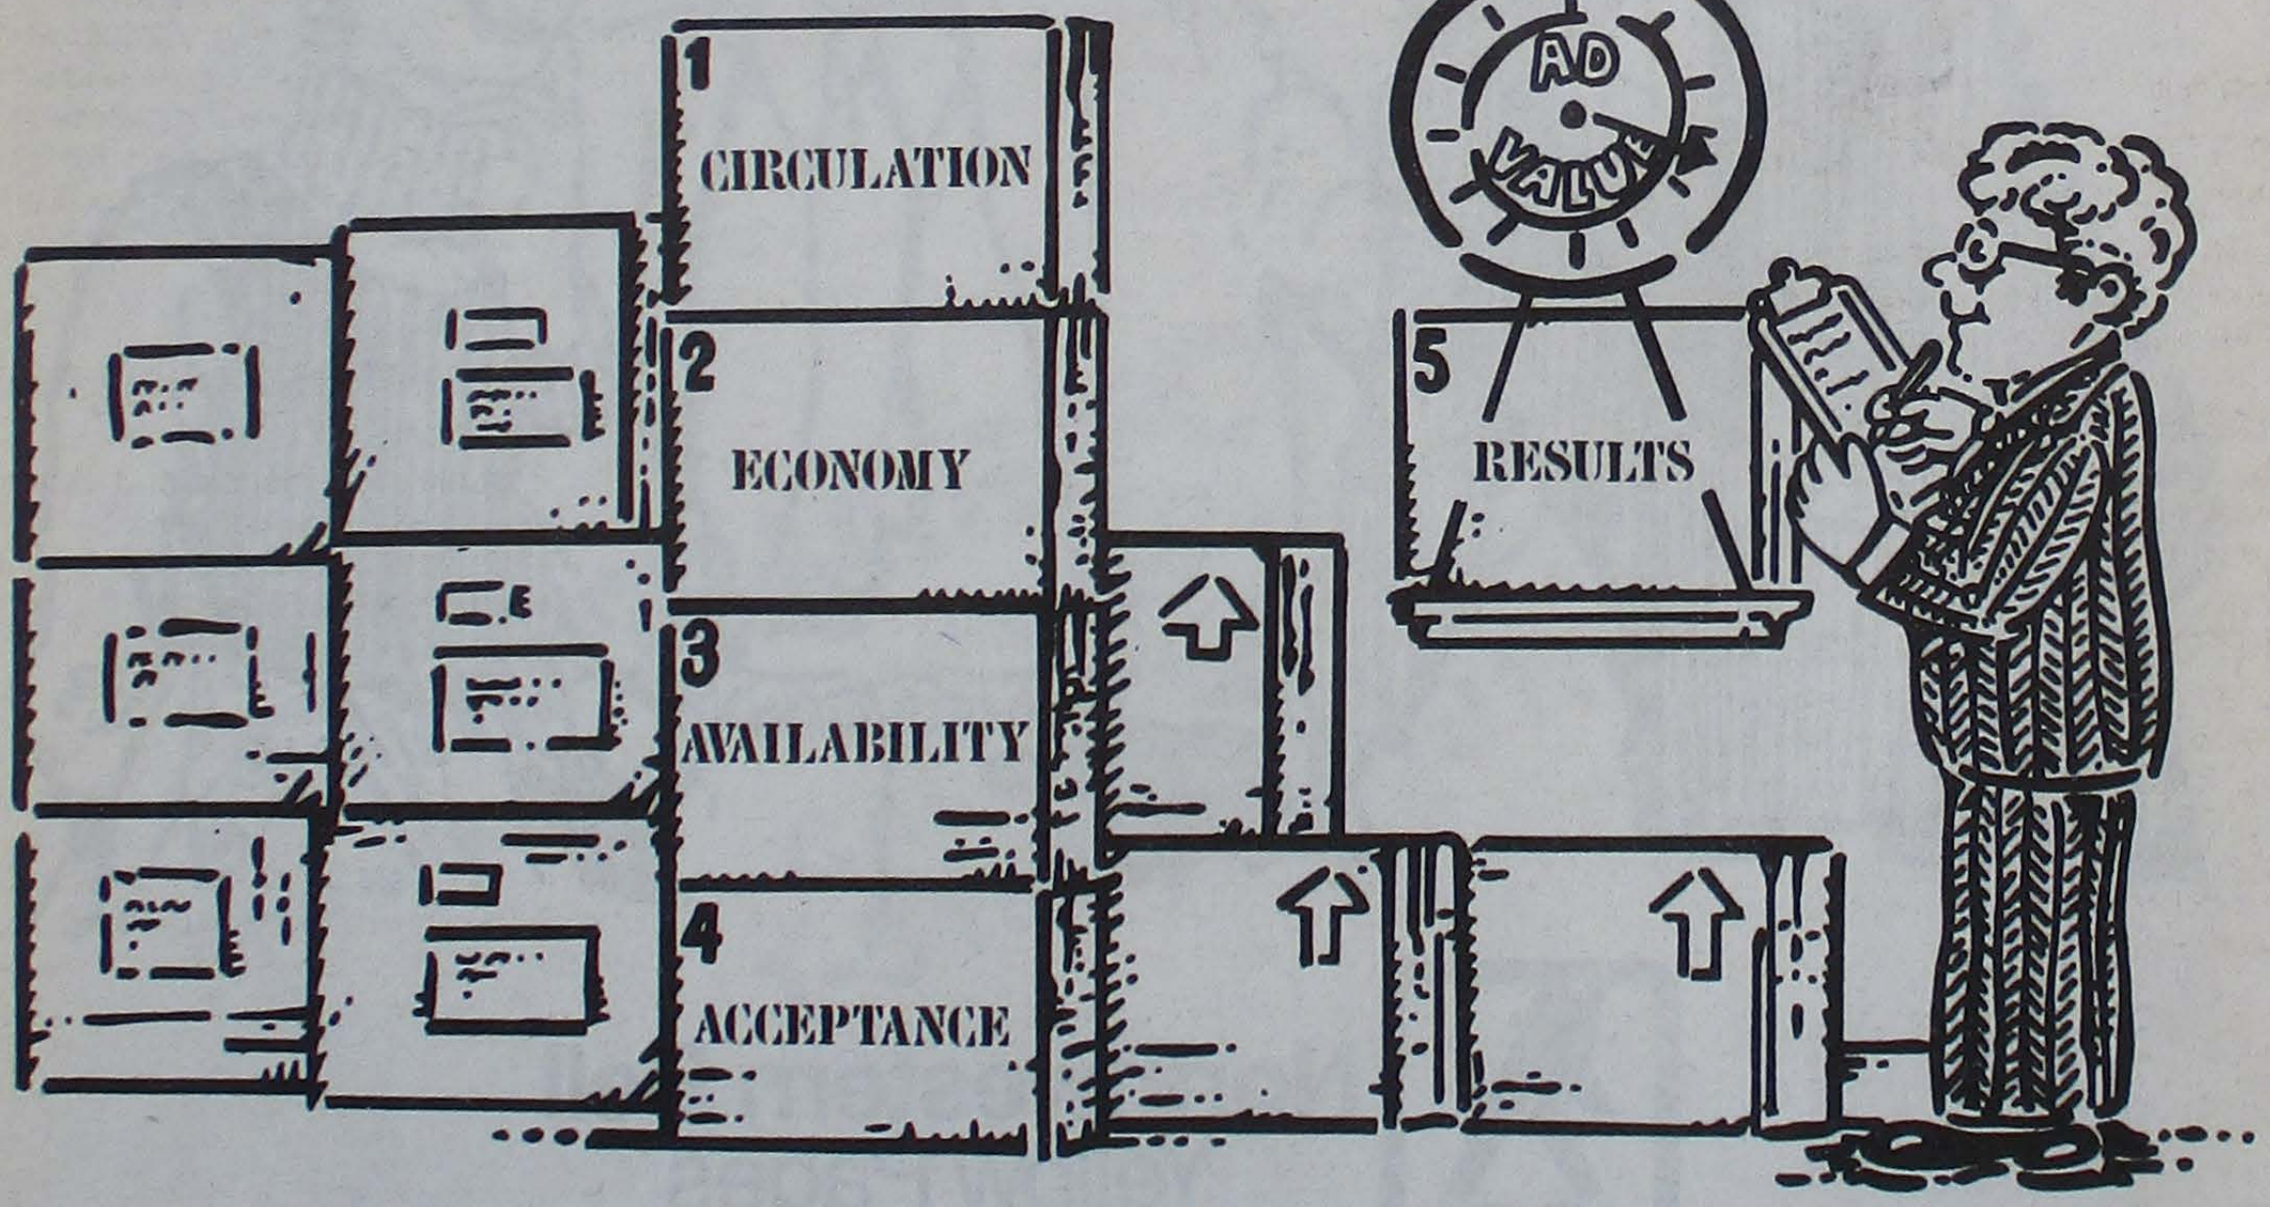

HAVE A SPECIAL NEED?
Your telephone company may be able to provide special phone services if you have difficulty using standard telephones. There are phones for people with sight, speech or hearing problems; phones for those who have limited arm and hand movement; and phones which can be adapted for use in special locations by wheel chair or bed patients. Check with your local business office for availability and details.

PUT YOUR PHONE NUMBER ON STATIONERY.
Make it easier for friends and business people to get in touch with you by having your phone number and Area Code printed on your letterhead and memos.

TO HAVE YOUR PHONE REPAIRED.
When you have trouble with your telephone, call Repair Service. The number is listed in the Call-Guide of this directory. However, Northwestern Bell does not repair customer-provided telephone equipment.

Northwestern Bell
Yellow Pages

names 'n numbers

There's room on this page to write telephone numbers of friends, neighbors, babysitters, doctors and other people you call from time to time. We hope you'll write all over it . . . and keep it handy.

By using your telephone directory to find numbers and then jotting them down on this page, you'll save yourself time and help hold down the cost of telephone service.
